

Mayfair Office Members' Regional Meetings 2022

After two long years, we feel it is time to hold our much-enjoyed Regional Meetings again this year. The meetings have always been well attended and are an excellent opportunity to chat with like-minded people. We've already had members from across the UK contact us to say how much they have missed the meetings and are greatly looking forward to them re-starting.

For those who have not attended a regional meeting in the past, they are a great way to meet your non-competing Mayfair colleagues, share ideas, discuss current issues, and hear the latest from Mayfair Office.

Attendance is not restricted to partners and principals, so please think about bringing your managers and negotiators. Those firms who have done this in the past know how much it helps staff less familiar with Mayfair, understand the network.

The format is generally the same for each meeting; 9 am coffee, 9.30 start, break for coffee mid-morning and then a 12.30/1.00 finish. The meetings are regionalised, but if you happen to work in Yorkshire but be on holiday in Devon, we would love to see you.

We will aim to hold meetings in spacious rooms with good ventilation, and we will be happy for anyone to wear a mask if they so wish. We would also appreciate it if everyone took a lateral flow test within 24 hours of the meeting. Anyone testing positive for Covid-19 should not attend if they or their family members tested positive or have Covid symptoms.
