Rendells Report on their Sale of Cattle On Wednesday 3rd January 2024

Cattle

A tremendous run of quality cattle met a ring full of purchasers which resulted in a fantastic trade with many more needed to meet demand.

Top of the day was a bunch of twenty month old Limousin cross steers from Mr E Wilton, Blackawton which sold to a top of £1390. Closely following was a shapely twenty six month old Limousin cross heifer which raced away to £1330 for the same vendor.

Mr SB Trant, Capton sold the best of his entry to £1180 for a British Blue steer with a Limousin cross steer selling to £1150 and a pair of twenty eight month old British Blue heifers selling to £1100.

Rendells would like to wish you all a happy New Year.

Important Notice

As of today, 13th December 2023 all Non Farm-Assured Vendors presenting any class of Prime or Cull Stock to market, will need to have a Veterinary Declaration to enable any products of animal origin to be exported to the EU.

A Vet must visit a non-assured holding annually and once completed by your vet you will be given a unique 20 digit Veterinary Attestation Number (VAN) made up of your Vets MRCVS number, your CPH number and the date of expiry.
