

## **Annual Show & Sale of Suckled Calves, Store Cattle & Breeding Cattle** **At Chagford Market on 23<sup>rd</sup> November 2023**

The Annual Show and Sale of Suckled Calves, Store and Breeding Cattle kindly sponsored by Harpers Feeds at Chagford Market attracted an excellent entry with 122 cattle forward. There was strong trade with all classes of cattle in demand, although more selective than last year with cattle having had a rough couple of weeks from the weather. Bidders from around the county as usual were keen to purchase from this noted stock rearing area.

The judge Adrian Bowden of Drewsteignton, awarded the Championship to G & N Arscott of Chagford, for their April born Limousin steer and backed his judgment purchasing the Champion for £900.
