# Let Only Service

This service is for Landlords who wish to manage their own property.

## Let Fee

**£350 + VAT (£420 inclusive)**

**For properties with a monthly rent of £0 - £699**

**£450 + VAT (£540 inclusive)**

**For properties with a monthly rent of £700 or more**

Includes:

- ✓ **Initial rental assessment** - one of our team will come out to visit your property and will advise you as to the potential rental income. They will also be able to answer any questions you might have about the whole process.
- ✓ **Professional Photos** - by [www.benfearnhead.co.uk](http://www.benfearnhead.co.uk). We will arrange for our photographer to visit your property and get some fabulous photos, to entice people in for viewings.
- ✓ **Advertising** - on our company website and also numerous large national portals including Rightmove and OnThe Market. Also window display at our prominent Moseley office.
- ✓ **'To Let' board** - at the property if required - some Landlords prefer not to have these though it can help the level of interest in the property. Approximately a quarter of all of our enquiries come from people seeing the 'To Let' board.
- ✓ **Escorted viewings** - we think it is generally best if the agent carries out the viewings. In our experience most people feel more comfortable viewing with an agent than with the owner. We would therefore hold a key to the property, and can liaise with yourself or current tenants, depending on who is currently living at the property.
- ✓ **Comprehensive Tenant referencing service and full credit check** - it is very important to us to find you the right Tenant. Our business has been built on our reputation, and good Tenants are essential to maintaining this reputation.
- ✓ **Preparation of a list of fixtures and fittings** - this will detail the walls and flooring and will highlight any furniture or other removable items within the property, as well as any major defects to any fitting or fixture. A full professional inventory is available at additional cost, should you feel this is required.
- ✓ **Preparation of the Tenancy Agreement** - we arrange for the Tenant to sign this prior to occupation and would usually sign this on your behalf.
- ✓ **Collection of first months' rent and deposit** - you can either register the deposit yourself or we can do it for you for a small extra cost \*. Once the Tenant moves in, we will pay over the first months' rent to you, less our letting fee and any other costs.
- ✓ **Prescribed Information \*\*** and Right to Rent Checks would be carried out by us.
- ✓ **Move-in procedure** - we meet the tenants to hand over keys and run through the inventory. We will supply them with your contact and banking details, so that they can liaise with you and pay you directly going forward.
- ✓ **Informing the utility companies** and Council Tax of the new Tenancy and providing any relevant meter readings - this will essentially set up the relevant accounts for the new Tenants, though this ultimately remains the responsibility of the Tenants, not ourselves.

Please note, the Let Only service can be tailored to suit your needs. For example, some Landlords just want us to advertise their property and are happy to take on the viewings and paperwork themselves. Our fee charged will be adjusted depending on which parts of the process you want us to do.

\* Deposit registration - with the service above you can opt for us to register the Tenant's deposit with Tenancy Deposit Scheme (TDS) Custodial scheme for an extra charge of £30 + VAT (£36 inclusive). Further details of this scheme can be found at [custodial.tenancydepositscheme.com](http://custodial.tenancydepositscheme.com). You can also opt to register it yourself free of charge with one of a number of schemes and will just need to supply us with the relevant paperwork.

\*\* All landlords / agents are required by law to carry out Right to Rent Checks on ALL adult occupiers. As of October 2015, new legislation dictates that Prescribed Information is given to all tenants, at the commencement of a new tenancy, when a tenancy becomes a Statutory Periodic Tenancy, and for any other changes in tenancy. The Prescribed Information required to be served is as follows:

- Energy Performance Certificate
- How To Rent Guide – current issue
- Deposit Scheme Leaflet
- Deposit Registration Certificate
- Deposit Prescribed Information
- Current gas safety certificate – if applicable

# Professional Photography

---

We use a professional photographer for all of our marketing photos, at no extra cost to you. If you choose us to let your property, we believe we will display it more attractively than our competitors, therefore making it more attractive to potential tenants. # **Further Information**

---

## **Standard of Property**

---

All properties should be provided in a clean and tidy condition. The fabric of the building should be in good repair prior to the property being advertised for let. Beds, sofas and all other soft furnishings must all conform to current fire safety regulations.

## **Maintenance**

---

Owners should make us aware of any ongoing maintenance problems. The Landlord is responsible for the structure and exterior of the property, heating, hot water, sanitary installations and electrical wiring. For managed properties generally the Landlord gives authority for the us to carry out individual works up to the value of £150 without prior agreement, unless in an emergency situation where this limit may be surpassed. We have a team of experienced, tried and trusted contractors who can, for our managed properties deal with any general property maintenance related task.

## **Safety Regulations**

---

The letting of property is now closely regulated with respect to consumer safety. The law makes particular demands regarding the safety, servicing and inspection of the gas and electric appliances and installations within a property, and with respect to the type of furniture and soft furnishings that are also provided. Legislation dictates that all gas appliances within the property are in full working order and carry a valid Landlords gas safety certificate. For managed properties the Landlords gas safety is generally administered annually without Landlord involvement. It is now also law to provide a valid EICR (Electrical Installation and Condition Report) for all new tenancies. This is a 5 year certificate and we are happy to arrange this.

## **Council Tax and Utilities**

---

We will inform the relevant utility providers and local authority of the new tenancy and effectively set up the account for the Tenant(s). It will then be the Tenant's responsibility to pay council tax and utility costs. If the Landlord has previously been living at the property, then they should inform utilities of their closing meter readings and forwarding address. Please note, whilst the property is empty responsibility for council tax rests with the Landlord.

## **Inventory**

---

We will produce a basic list of contents. This will include floor/wall coverings and any removeable items/furniture and will also highlight any obvious defects in the property and its contents. This list will be signed by Agent/Landlord and Tenant at move in.

## **Tenancy Agreement**

---

All of our Tenancy Agreements are valid Assured Shorthold agreements. We generally offer the Tenant the choice of 6 or 12 month initial term unless one or the other is stipulated by the Landlord.

## **Multi Agent Abortive Fee**

---

If you decide to use more than one agent to let your property, it is your responsibility to inform us immediately should another agent take a deposit. We reserve the right to charge a fee should you not inform us and we go on to find a Tenant. If after agreeing a let, you subsequently change your mind, then we reserve the right to charge a fee.

## **Inspections (Managed Properties Only)**

---

In order to ensure that your property is being looked after, an initial inspection is made shortly after the Tenant moves in. The purpose of this initial inspection is to ensure that the Tenant has moved in successfully and is keeping the place nicely. It is also to ensure that there are no initial teething problems or property maintenance issues. Property inspections are then carried out regularly throughout the duration of the tenancy. Following each inspection, you will receive a written report highlighting general condition and noting any issues that might need to be addressed.

## **Overseas Residents**

---

If you are going to be resident overseas then you are required to notify the Inland Revenue, who will issue us with an exemption certificate allowing us to pay your rents to you gross. Forms can be downloaded from the web address [www.inlandrevenue.gov.uk/cnr](http://www.inlandrevenue.gov.uk/cnr)

## **Insurance**

---

The Landlord is responsible for the property being adequately insured and should also ensure that the policy covers the situation where the property is to be let. As a company we have taken out a block insurance policy. Being part of this policy may allow our Landlords to benefit from preferential rates for their insurance. Please speak to us for more details about this or to receive a quote.

## **Legal Proceedings**

---

It should be emphasised that situations requiring legal intervention are very rare indeed. For Managed properties and any delays in payment or other defaults will be acted on by us in the first instance. Should these efforts be unsuccessful or if rent arrears become significant, the Landlord will have the option of appointing a solicitor, the full costs of which would be payable by the Landlord.

## **Right to Rent Checks**

---

The Right to Rent responsibility lies with the Landlord as the person who authorises occupation of the property in return for rent. However, for certain levels of our Lettings service we will carry out the Right to Rent checks and be responsible for taking the steps necessary to establish an excuse against a penalty.

## **Regulatory Bodies and Client Money Protection**

---

We are members of the National Approved Lettings Scheme (NALS). We are also members of The Property Ombudsmen (TPO). Full details can be found at [www.nalscheme.co.uk](http://www.nalscheme.co.uk) and [www.tpos.co.uk](http://www.tpos.co.uk) respectively.

## **Deposits**

---

Upon signing the Tenancy Agreement, we will take a deposit from the Tenant(s) in addition to any rents due. The purpose of the deposit is to protect the Landlord against loss of rent or damage to the property during the tenancy itself. It is emphasised that deposit money belongs to the Tenant and that any stoppages need to be justified and agreed with the Tenant.

For our Managed properties we register all deposits with The Dispute Service (TDS) Custodial scheme at no extra cost. For our Managed properties, we will carry out a full move out procedure and deal with any deposit related issues, as well as any maintenance required at the property.

We are happy to register deposits in this scheme for our Let-Only landlords at a cost of £30 + VAT (£36 inclusive). It is emphasised that any stoppages required from deposit must be agreed with the Tenant and we will require notification of this in writing.

For Let Only properties, as a Landlord you can also choose from one of 2 other options. Firstly the TDS scheme above is available for Landlords to register for themselves free of charge. Alternatively, Deposit Protection Scheme (DPS) is available free of charge to Landlords.

For Let Only properties the Landlord is responsible for the move out of the Tenant and the handling of any disputes.

## **Renewals**

---

For all properties we will offer our services to carry out a renewal of the initial fixed term Tenancy. Typically we will write to the Landlord 2-3 months prior to the end of the tenancy. Should you be happy for the Tenant to sign up for a further fixed term, we would write to the Tenant in advance of their tenancy ending, enclosing our renewal paperwork. Should you be happy for a Tenant to remain at the property, but not wish commit to a further fixed term, you can allow them to go onto a periodic (monthly rolling) tenancy. This will give you a little more flexibility, should you for example be considering selling the property.

## **Termination of Managed Service**

---

Our managed service can be cancelled by either party by giving 2 months' notice in writing.

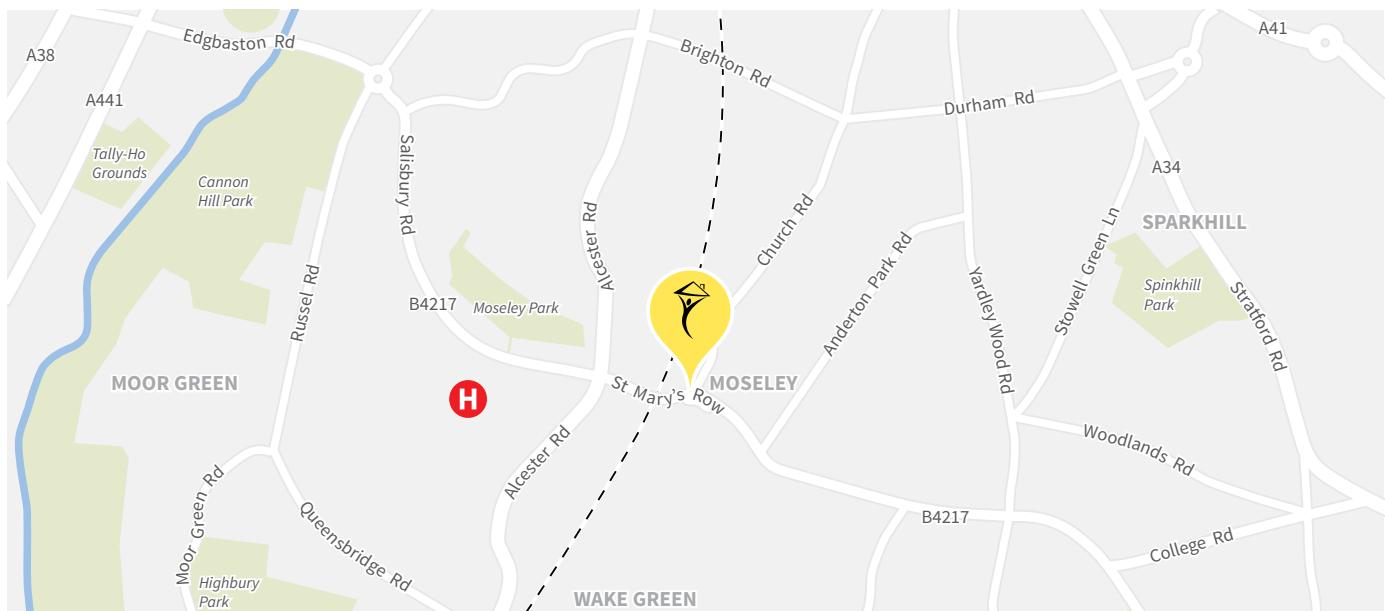

## **GDPR (General Data Protection Regulations)**

---

Should you decide to proceed with Nicholas George Ltd, we want you to be aware that we take our responsibilities with regards to data protection very seriously. We will provide you with more information about how we will handle your data in our Terms and Conditions document. We will never share your data with third parties for marketing purposes. Please speak to us if you need more information.
