

LA Business Recovery Limited's Published Charge Out Rates and Expenses Policy

Time

Hourly charge-out rates are charged in 6 minute units. In the event that less than 6 minutes are spent, multiples will be rounded up.

The actual rate charged will depend upon the nature of each activity undertaken for the case and / or the person undertaking that activity. The firm's charge-out rates, which may increase from time to time during the course of the case, are currently as follows:

Grade / activity	Hourly rate (charged in 6 minute units)
	£
Officeholder / Director	400-560
Managers	300-375
Administrators/Senior Administrators	150-275
Assistants & support staff	90-120

The upper end of these rates is usually sought in cases where specialist expertise is required. In most cases the office holder will charge £400 per hour and managers will usually charge £300 per hour. Administrators would usually charge £150-£225 per hour.

Allocation of Time

Time is allocated by function and the main categories of work will be covered by the following summary headings.

Work will include, consideration of incoming correspondence, composing outgoing correspondence, consideration and interaction with advisers concerning relevant law and practice; general strategy and specific strategic requirements; it is sometimes the case that not all time is allocated to work that directly benefits the creditors but are required by statute; work undertaken hereunder will always require consideration and review time to be allocated; time will be allocated against such headings where case progression reviews and insurance reviews, liaison with agents, third parties, stakeholders, officers or former officers, banks and professionals will be required.

These summary headings and explanations are not exhaustive headings but seek to summarise headings pursuant to which work is foreseen to be undertaken. This schedule has been prepared for all types of insolvency cases for which Virgil H Levy takes office and certain summary headings may only be relevant to Liquidations, Voluntary Arrangements, Bankruptcies or Administrations. It is our aim to report to Creditors any significant changes to the time allocation at each reporting stage.

Summarily, these short headings indicate the work that may be likely to be required over the course of an insolvency assignment generally. Where fee resolutions are sought, the specific work and detailed explanations relevant to the assignment will be published together with fees estimates where time costs are sought.
