I enclose my SIP 9 summary of time costs incurred to 1 April 2015. There are Administrator's fees outstanding of £41,130.75. In line with my previous report, I have reverted to charging out my published hourly rates, which are enclosed.

Creditors have a right to request information under Rule 2.48 and a right to challenge the administrator's remuneration and expenses under Rule 2.109 and other relevant information.

Matters dealt with during the period of this report

The progress in respect of the contracts during the period of this report is shown on the attached schedule.

Contracts as at date of Administration

As stated in my previous report the work on the contracts in progress terminated when the company went into Administration with substantial work already carried out. In order to realise the worth of the work carried out to the date of Administration the following matters are taken into consideration:

- 1. The value of the work carried out to the date of Administration.
- 2. Completion of the contract to take place before any monies can be realised to the Administration.
- 3. The cost of the work to the client to complete the work from the date of the Administration.
- 4. Resolution of defects arising in respect of the work to completion

To pursue my claims I am using an adjudication process whereby an experienced architect is appointed as Adjudicator by the parties to deal with relevant matters, and his findings are binding upon the parties subject to the matter being taken to Court. I have undergone the adjudication process in respect of some contracts and achieved good results.

Further adjudications are to take place.

Legal advice has been sought and received in respect of 6 Tregunter Road, with a view to pursuing a claim. Preparations were on-going over the period covered by this report. They will continue until we are advised to commit to proceedings.

Receipts and Payments

Enclosed is an abstract of the Receipts and Payments.

Since my last report legal fees of £10,600.60 were paid to Laytons Solicitors LLP, incurred in preparation of my claim. Further unbilled professional fees are being incurred in relation to the preparation for pursuing my claim.

London 15 Redwood Grove Ealing London W5 4SZ Tel 020 8579 9057

An estimate of Administrator's fees in relation to the on-going claim may be in the region of £30,000. Costs and expenses are the claim may be in the region of £180,000.

All figures are net of VAT.

Subrogation of the Fixed and Floating Charge

I remind you that the above charge was subrogated by Barclays Bank to Mr Charles Rudgard and Mr Jonathan Stevens.

Interim Distributions to Floating Charge Holders

I have previously reported the interim distribution to Barclays Bank (which was the secured creditor with a floating charge) of £50,000 and £50,000 to the present floating charge holders. I have set aside the prescribed part sum of £28,750 for unsecured creditors. This sum is not reflected in the receipts and payments abstract.

Further Extension of the Administration

An extension of the Administration is in place until 30 November 2015.

It is likely that I will apply to Court to grant a further extension in view of the impending substantial claim I am to pursue, which I anticipated in my previous report.
